EDUCATION

Chandigarh University — August 2020 – Expected July 2024
- CGPA 8.55

Khadimul islam inter college(12th) — 2018 – 2020
- Percentage 73

Patna St michael(10th)
- CGPA 9.6

PROJECTS

My Portfolio [link] [HTML5, CSS-3, JavaScript (JQuery, VanillaJS, ParticlesJS)] — August 2021
- **Motivation:** It was difficult for everyone to find all of my works, experience's or tech-stacks at one place. So I came up with building my portfolio
- **Extra's:** I've also used some 3rd parties services like **tawk.to service** to monitor page visits and live chat.

MimicOS [link] [NextJS, NodeJS, MongoDB, CSS Modules] — April 2022
- **Problem:** Quick no-setup simulated Operating System's like LINUX, Windows, and Mac. Mainly focused on Command Line Interfaces(CLI's), that can enable beginners to learn different CLI's command of different Operating Systems.
- **Solution:** Empowered **50+** students (still counting) in getting started with CLI's and learning different commands of different Operating Systems.

Learn With Fun [link] [ReactJS, ParticleJS, API, Firebase] — February 2022
- **Problem:** It's difficult to find one quiz application that acts like a game and help students in practicing questions based on some latest technologies like-**DevOps, Linux**, etc.
- **Solution:** This web application aims to help students in learning fundamental theoretical concepts of different technologies, in a fun manner.

TECHNICAL SKILLS

Languages(Proficient): Java, C++, C
Languages(Intermediate): JavaScript, Python
Frameworks(Proficient): NodeJS, ReactJS, NextJS, Bootstrap, Tailwind, Express
Developer Tools(Proficient): Postman, Docker, Git, Firebase, MongoDB, MySQL, Heroku, Vercel

ACHIEVEMENTS AND POSITION OF RESPONSIBILITIES

- **Open Source**: Contributed to many open source organizations like **Moja global [Link]**, **Scikit Learn [link]**, etc and I've also been a partcipant of GWOC'21, Hacktoberfest-20,21;
- **Cloud Native Hackathon [link]** : Won Cloud Native Hackathon after competing **6100+ participants**;
- **Runtime terror [link]** : Scored **4th** position in my campus **(among 2000+ students)** organized by Chandigarh University along with 6 other colleges **including IIT Bombay, Chitkara University, etc**;
- **Tech team lead** and **Core team member** at LetsBuildTogether(LBT) Community

EXPERIENCE

Data on Kubernetes — Remote
Contributor — *Oct-21 - Jan-22*
- Integrated CI/CD pipelines for automated greeting, issue labelling, etc
- Worked under the transcript team to fix their transcript that were generated via some AI model.

HOBBIES

- **Solving questions on LeetCode; [link]**
- **Writing technical Blogs (1.6k+ views); [link]**
- **Solving issues/bugs on StackOverflow (600+ reputation); [link]**
- **Giving Tech talks; [link]**
